

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

Things to Remember:

- Additional training resources can be found on the HUD.gov at [https://www.hud.gov/program\\_offices/comm\\_planning/coc](https://www.hud.gov/program_offices/comm_planning/coc).
- Questions regarding the FY 2023 CoC Program Competition process must be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2023 Continuum of Care (CoC) Program Competition. For more information see FY 2023 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2023 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2022 Project Application will be imported into the FY 2023 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2023 CoC Program Competition NOFA.

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2023 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2022 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
- Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2021 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2023 CoC Competition.

## Recipient Performance

1. Did you submit your previous year's Annual Performance Report (APR) on time? Not Applicable

1a. If you did not submit your APR on time to the SAGE website, provide an explanation.

Eckerd Connects' Domestic Violence - Rapid Rehousing Project was newly selected last year and the contract has not yet been finalized. No performance, eLOCCS, Sage, or scorecard information is available.

2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request? No

3. Do you draw funds quarterly for your current renewal project? No

3a. If no was selected, explain why CoC Program funds are not drawn quarterly.

Eckerd Connects' Domestic Violence - Rapid Rehousing Project was newly selected last year and the contract has not yet been finalized. No performance, eLOCCS, Sage, spending or scorecard information is available.

4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request? No

## Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.

a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.

b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

### 1. Is this renewal project application requesting to consolidate or expand? No

If "No" click on "Next" or "Save & Next" below to move to the next screen.

## 3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Eckerd Connects' Family Support Services (FSS) provides case management and financial assistance to families and individuals who have an identified history of substance use and are currently experiencing homelessness or are at imminent risk of homelessness in Brevard County. Services include one-time financial assistance, Rapid Rehousing, SPDAT assessments, assistance with housing searches, referrals to mental health & or substance abuse counseling (if applicable), monthly budgeting, goal planning, landlord engagement, aftercare follow up, referral to skills training/work readiness programs, food pantries, and additional resources related to benefits, employment, and community-based services (if needed and appropriate).

Utilizing the Housing First philosophy, our Rapid Rehousing program is designed to help individuals and families quickly exit homelessness and return to permanent housing. Eckerd Connects' FSS housing case managers will ensure that all services provided are client-directed, respectful of individuals' right to self-determination, and voluntary. Housing case managers will help families and individuals who are survivors of domestic violence, dating violence, sexual assault, or stalking that are currently experiencing homelessness or are at imminent risk of homelessness identify permanent housing options based on their unique needs, preferences, and financial resources. If we were to receive funding for this project we would add one Case Manager as follows:

- 0.5 FTE for Eckerd Connects' HUD-CoC DV Bonus Program  
oCase management serves households fleeing domestic violence, dating violence, sexual assault, stalking, and other households that meet the criteria of paragraph (4) of the definition of homeless at 24 CFR 578.3, including survivors of human trafficking.

Housing Case Managers will provide on-going assessment and monitoring of the client's condition and progress. FSS utilizes the following assessments to evaluate and re-evaluate individual needs during program services:

- Program services should result in decreasing acuity of needs during ongoing assessment. The SPDAT assessment tool is completed at intake, post housing, 60 days post housing and at discharge.

Service Capacity

12 Households

1 Household per month

Outcome Targets

Successfully rehouse 12 households annually.

Timeframe to rehouse: 45-90 days

Initial intake SPDAT acuity score will decrease 2-3 points at Discharge

Admission Criteria

Individuals or families experiencing homelessness or at imminent risk of homelessness who are survivors of domestic violence, dating violence, sexual assault, or stalking living in Brevard County, FL.

Client Referral Process: Rapid Rehousing

Family Support Services receives referral from the Coordinated Entry System.

Supervisor conducts review of referral. If eligible, the supervisor will direct the client's case to the case manager.

## 6A. Funding Request

### VAWA Budget

New in FY2023, the Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:

- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:

- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the combined estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories on the summary budget screen. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

1. Will this project use funds from this grant to provide for emergency transfer facilitation, which includes the costs of assessing, coordinating, approving, denying and implementing a survivor's emergency transfer per Section III.B.4.a.(3) (a) of the NOFO? No

2. Will this project use funds from this grant to provide for VAWA confidentiality requirements, which includes the costs of ensuring compliance with the VAWA confidentiality requirements per Section III.B.4.a.(3) (b) of the NOFO? No

3. Does this project propose to allocate funds according to an indirect cost rate? No

4. Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited: 1 Year

5. Select the costs for which funding is requested:

Rental Assistance	<input checked="" type="checkbox"/>
Supportive Services	<input checked="" type="checkbox"/>
HMIS	<input type="checkbox"/>

## 6E. Summary Budget

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2018 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2018, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

Dear Sir or Madam:

In your letter dated March 24, 2015, you requested classification as a public charity described in section 509(a)(2) of the Internal Revenue Code.

In our letter dated September 1985, we determined that you were exempt under section 501(c)(3) of the Code. We further determined that you weren't a private foundation and you were classified as a public charity described in section(s) 509(a)(1) and 170(b)(1)(A)(ii) of the Code.

Based on the information you provided, we determined you meet the requirements for classification as a public charity described in section 509(a)(2) of the Code.

Accordingly, we have updated your public charity status in our records as you requested.

Since your exempt status wasn't under consideration, you continue to be classified as an organization exempt from federal income tax under section 501(c)(3) of the Code.

Grantors and contributors may generally rely on this determination of your foundation status unless the Internal Revenue Service publishes notice that you are no longer recognized as tax exempt or classified as a public charity in the Internal Revenue Bulletin. However, if a grantor or contributor takes any action, or fails to take any action, which causes you to lose your exempt status or causes you to be reclassified as a private foundation, that party cannot rely on this determination. Furthermore, a contributor or grantor who knows that the Internal Revenue Service has notified you of any change in your exempt status or foundation status cannot rely on this determination.

For important information about your responsibilities as a tax-exempt organization, go to [www.irs.gov/charities](http://www.irs.gov/charities). Enter "4221-PC" in the search bar to view Publication 4221-PC, *Compliance Guide for 501(c)(3) Public Charities*, which describes your recordkeeping, reporting, and disclosure requirements.

Because this letter could help resolve any questions about your exempt status and/or foundation status, you should keep it with your permanent records.

Eckerd Youth Alternatives, Inc.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "Terrence Riggall". The signature is written in a cursive style with a large, sweeping initial "T".
